Health Insurance Reimbursement

New procedure for your reimbursement form

The OpenGym

To reimburse gym memberships, health insurers now require a standardised **reimbursement form** (Tarif 595, mandatory from 1 January 2027 at the latest). The previous membership confirmation with signature and stamp **is no longer used**. We issue the new form for you – for this, we need a few details from you in advance.

1 Check with your health insurer first

Before sending your request, please check whether your supplementary insurance contributes to your gym membership:

- Do you have supplementary insurance covering health promotion (e.g. fitness / exercise)?
- How much is the contribution? Depending on insurer and plan, usually **CHF 200 to 500** per year.
- Are QUALITOP-certified gyms recognised? (TheOpenGym is QUALITOP-certified.)
- What membership duration is required (e.g. 6-month or annual membership)?

An overview of contributions is available in our FAQ at www.theopengym.ch.

2 Send us your health insurance details

If your insurer contributes, please email the following to **pb@move4health.ch**:

Please send	We already have
1. AHV number (756.xxxx.xxxx.xx) 2. Health insurer (supplementary insurance) 3. Insurance number (with your insurer)	First and last name Address Date of birth, gender Only let us know if something has changed.

You will find your AHV number and insurance number on your health insurance card or policy. We cannot issue the form without complete details. Your data is used for this purpose only.

3 We issue your form

As soon as we have all the details, we issue your reimbursement form and record the fee in your Wodify account.

> We charge a **processing fee of CHF 20.00 (incl. VAT)** for issuing the form. That is why it is important to check with your health insurer **in advance** whether, and how much, they will reimburse.

4 Receive and submit your form

You will receive the reimbursement form and a copy of your invoice by email. Submit the form to your health insurer as usual (app, customer portal or post). Your insurer pays the reimbursement directly to you.
